

## Gap 42

ability to control what content appears on homepage and it's layout - option to have formatted course information

original gap description file: Gap\_42\_arch.ppt

### Summary:

An interface is needed for class site authors to input structured information about a class. The edit "Home" page interface is accessed through Homesite Setup tool.

The resulting class site "Home" page/tool shows information vital to a student in the class.

Design Contact: Marc Brierley (brierley@stanford.edu)
