

UX Working Sessions

In order to expedite activities around the early adopters release of Sakai 3.0 mid-2009, there are currently twice-weekly working sessions for those directly involved in the UX activities. (These meetings are in addition to the regular, weekly, status-update [meeting](#).)

Generally T, Th at 9:00am PST (we will notify email list of changes).

Call Info: Sakai002 Conference Bridge ([Need help connecting?](#))
