

Sakai 2.9 - CKEditor Walkthrough Script

CKEditor Accessibility Walkthrough Script

This walkthrough is for the Student persona.

Start of Walkthrough Script

Login and Find Editor

- Login with the "arckedit1" user account.
- In the worksites list (accesskey "Alt+w"), activate the "ARCKEdit 101" course site link.
- In the tools list (accesskey "Alt+l"), activate the "Assignments" link.
- In the Assignment List, find "Assignment 1" and activate its link.

Find the Editor

- Navigate to the body of the editor where text is entered and edited.
- Have Walkthrough administrator verify focus is now in the body of the editor

Bring Up the Editor Help

- The editor has a hot key that brings up help for the editor. Find that hot key, and bring up the editor help.
- In the Help Dialog, find the hotkey combinations for navigating to the toolbar and for exiting the toolbar.

Type a Document Using Various Formats

- Note: Please follow the following instructions as close as possible
- Type the following sentence as a level one heading:
 - My Favorite Fruits
- Type the following two sentences as a paragraph:
 - This paper is about my favorite fruits.
 - It will describe the various factors contributing to my fruit eating habits.
- Bold the word "my" in the last sentence.
- Create the following as a level two heading:
 - Season
 - All Time Favorites
 - Conclusion
- Insert a blank line between the "Season" and "All Time Favorites" headings.
- Make sure the format is correct for entering a paragraph (format should be normal).
- Enter the following sentence for the paragraph:
 - My favorite fruit changes by season.
- Insert a four column, two row table with the following:
 - The first row should be headers
 - Use the following as the table caption:
 - My Favorite Fruit by Season
 - Enter the following 4 values into the header row:
 - Winter
 - Spring
 - Summer
 - Fall
 - Enter the following values into the 2nd row:
 - Apricots
 - Strawberries
 - Summer
 - Fall
- Insert a blank line between the "All Time Favorites" and "Conclusion" headings.
- make sure the format is correct for entering a paragraph (format should be normal).
- Enter the following sentence for the paragraph:
 - Here is a list of my all time favorite fruits:
- Create an unordered list and enter the following three fruits as list items:
 - Bananas
 - Apples
 - Kiwi
- After the "Conclusion" heading, add the following sentence:
 - I hope you have found this interesting!
- Preview your work. If it looks good to you, then Submit it.
- Did you receive a submission confirmation?

This is the end of the Walkthrough Script

Pre-Walkthrough Setup

This section documents how to create the necessary content to perform the above walkthrough script. It is not part of the walkthrough itself. It is expected that a person with the ability to log into the QA server with admin rights will create this content before the walkthrough takes place.

Login as Admin

Create two users:

- arckeins
- arckedit1

Create a course

- Title: ARCKEdit 101
- Add the Assignments tool
- Add user "arckeins" as a participant with the "instructor" role
- Add user "arckedit1" as a participant with the "student" role

Logout

Login as "arckeins"

Create an Assignment

- In the "AR CKEdit 101" Course Site, create an assignment called "Assignment 1"
- Make sure it will be visible when the walkthrough script will be performed.
- Set student submissions to "Inline only"
- Allow Resubmission for an unlimited number of times
- In the Assignment Instructions, enter:
 - Please type a report about your favorite fruit or fruits.
- Post the assignment
