2010 Committee

Subject: Call for award committee members

The Sakai Teaching and Learning Group is forming the 2010 Award Committee to oversee this year's Teaching with Sakai Innovation Award. Each of the past two years we've had a strong applicant pool and selected two outstanding finalists. If you missed the winners' 2009 presentations in Boston, you can watch Andrea Crampton at <http://www.vimeo.com/5610058> and Edith Sheffer at <http://www.vimeo.com/5623121>.

If you would like to view last year's entries they are available on the OpenEdPractices.org web site <http://openedpractices.org/courses>. The evaluation rubric used for the award is located at http://openedpractices.org/files/TWSIA_Rubric.pdf.

We hope to continue the success of 2008 and 2009 and are looking for committee members that represent many different groups within our community, so please don't hesitate to sign up even if you don't have a teaching and learning background. Please contact Kate Ellis kdellis@indiana.edu or Susan Roig susan.roig@cgu.edu if you are interested in working with us. Thank you for your support,
