Schedule Explanation

- The conference bridges are color-coded in the schedule (see key on right-hand side of calendar.)
- Sakai001 is preferred for regular scheduled, recurring meetings, while Sakai002 and Sakai003 are preferred for first-come, first-serve ad-hoc meetings.
- Contact the meeting organizer for connection information for calls scheduled in "Other System".
- You can change your timezone preference for viewing the calendar by clicking on the timezone in the upper-left corner of the calendar.
- During Spring and Fall, pay close attention to meetings times, as not all locales around the world switch on/off daylight savings time on the same day.
