## Sakai Communications Projects

Error formatting macro: pagefamily-tagcloud: java.lang.NoClassDefFoundError: com/atlassian/confluence/search/actions/SearchQueryBean

This Confluence Space is intended as a collaborative work space for both **internal communications projects** and **external communications projects**

some projects include content and presentations that encompass both internal and external audiences, e.g. branding, group blog; and therefore this initial division of projects by internal/external facing may change.

## Communications Planning Calendar
