

UX Working Group

The Sakai User Experience (UX) Working Group conducts the research, design, and development that shapes the overall Sakai user experience.

This group's goal is for information sharing and to coordinate activities.

The UX group will post general announcements and updates to the sakai-ux@apereo.org, sakai-user@apereo.org, and sakai-dev@apereo.org email lists.

If you would like to subscribe to the UX mailing list to receive additional UX group messages and reminders, send an email to sakai-ux+subscribe@apereo.org to subscribe to the list. (This is a low-volume list.)
