

Tuesday - Sakai K2-Sling workshop

Sign up

Please add your name, institutional affiliation, email address and workshop interests.

General Info

Track: Building Sakai

Date/Time: Tuesday, 7 July 2009, 13:30-17:30

Room: Haymi Saloman

Description: This workshop is for developers interested in learning more about Sakai's K2/Sling experimental work. Core technologies will be reviewed and attendees will exercise the code in a collective peer-learning environment. A group of K2 committers, led by Ian Boston, will facilitate the session.

Presenters

Person	Institutional Affiliation	Email
Ian Boston	University of Cambridge	ian@caret.cam.ac.uk
