Aperero Licensing Technical Process	licensing@apereo.org	Private. For the latest on submitted licensing agreements see : http://licensing.apereo.org/	This is the email used for submitting licensing agreements to Aperero .
Aperero Portfolio Group	portfolio@apereo.org	https://groups.google.com/a/apereo.org/forum/#!forum/portfolio	This is no longer a Sakai-specific group, though there is still a strong relationship. It is focused on ePortfolios and in particular the Karuta project.
Sakai UX	sakai-ux@apereo.org	https://groups.google.com/a/apereo.org/forum/#!forum/sakai-ux	Discussion list for user experience and usability testing, research, and related activities.

Archives

Archives from the old email lists are at <http://collab.archives.sakaiproject.org/>

Sakai Coordinator

To contact the Sakai Community Coordinator email sakaicoordinator@apereo.org .

To subscribe or unsubscribe to email groups

Send an email to the relevant email address by adding "+subscribe" or "+unsubscribe" to the email address. For example, sending an email to sakai-dev+subscribe@apereo.org will subscribe you to the sakai-dev@apereo.org email list.

Google Apps Institutions

- If you are part of an institution that uses Google Apps, and your institutional settings do not allow you to post via the web forum, you should be able to send email to the list, just not post via the web.
- In some cases, your institutional settings may not allow you to subscribe using the email method nor using the web. In this case, please email the list owner to subscribe using the formula (list)+owner@apereo.org. For example, email apereoTL+owner@apereo.org and ask to subscribe.
