- [Improving Portfolio User Experience](#)
- [Indiana University Matrices Enhancements](#)
- [Collaborative Portfolio Contributions](#)
- [Duplicating portfolios](#)

Continuing Development

- [Ongoing Challenges to Using OSP](#)

Release Planning

Goal: No changes that require difficult migration. The project team is making a commitment to building all migration scripts for a seamless upgrade from previous releases.

- [Design and Development Plans \(OSP 2.1\)](#) *note: these were conceptual plans that were not realized. posting here to provide historical context*
- [Design and Development \(2.4\)](#)
- [Design and Development \(2.5\)](#)
- [OSP Design and Development \(2.6\)](#)
- [Design and Development \(long-term\)](#)
