Speakers: [Feliz Gouveia](#); [Magnus Tagesson](#); [Mike Osterman](#); [Joshua Baron](#); [Lance Speelmon](#)

Session Abstract

This panel brings together five seasoned Sakai implementors who will share their experiences implementing Sakai and discuss best practices. We've been so busy implementing we didn't have time to put an abstract together! Come and learn what has kept us so busy and the lessons we have learned from implementing Sakai at five different institutions over the past several years. Plenty of time will be dedicate to Q&A.
