## Section Info: Courses, Sections, Groups and the Enterprise

**Speaker(s):** Oliver Heyer; Josh Holtzman

### Session Abstract

The Section Info tool is one of the key clients of the new Course Management API. This session will cover new 2.4 functionality and its relationship to different enterprise integration strategies. We will also cover the relationship between groups and sections.

### Presentation Materials

- Session leaders are encouraged to post their presentation materials as Attachments to this Page. (See Attachments tab above.)

### Podcasts

- Session leaders are encouraged to post their podcasts on the main Amsterdam Podcasts page (a central repository of podcasts) and may also choose to link to them from their session page. See the main Amsterdam conference wiki page for more details.

### Additional Information

- Session leaders are also encouraged to appoint a session convener, a podcast recorder and/or a note-taker and post the minutes of their session on a Page (see Add Page link near top-right.)
- Participants and Session Leaders are encouraged to post Comments (see Comment form below) or create additional Pages as needed to facilitate collaboration (see Add Page link near top-right.)
- - Child Pages for this session (Added Pages will automatically appear in this list)
