

Student Interaction with a Sakai VLE in Plant Sciences

Student Interaction with a Sakai VLE in Plant Sciences

Speaker(s): Katy Jordan; Frances Tracy; Keith Johnstone

Session Abstract

In October 2006 the Department of Plant Sciences at Cambridge University began running its first undergraduate course based in a Sakai environment. Here, we will reflect on what we've learnt from this year and share our tips, focusing on trends in usage by students from site stats and student feedback.

Presentation Materials

- PowerPoint slides can be accessed via the Attachments tab above.

Podcasts

- Session leaders are encouraged to post their podcasts on the main Amsterdam Podcasts page (a central repository of podcasts) and may also choose to link to them from their session page. See the main Amsterdam conference wiki page for more details.

Additional Information

- Session leaders are also encouraged to appoint a session convener, a podcast recorder and/or a note-taker and post the minutes of their session on a Page (see Add Page link near top-right.)
- Participants and Session Leaders are encouraged to post Comments (see Comment form below) or create additional Pages as needed to facilitate collaboration (see Add Page link near top-right.)
- - Child Pages for this session (Added Pages will automatically appear in this list)
