

Approaching User Advocacy From an Integrated Design and Support Angle

Approaching User Advocacy From an Integrated Design and Support Angle

Speaker(s): Jacqueline Mai; Marc Brierley

Session Abstract

This session will address the formation of the User Experience Group within Stanford University's Academic Computing division, its objectives, and its role in guiding Stanford's Sakai roll-out.

Presentation Materials

- Session leaders are encouraged to post their presentation materials as Attachments to this Page. (See Attachments tab above.)

Podcasts

- Session leaders are encouraged to post their podcasts on the main Amsterdam Podcasts page (a central repository of podcasts) and may also choose to link to them from their session page. See the main Amsterdam conference wiki page for more details.

Additional Information

- Session leaders are also encouraged to appoint a session convener, a podcast recorder and/or a note-taker and post the minutes of their session on a Page (see Add Page link near top-right.)
- Participants and Session Leaders are encouraged to post Comments (see Comment form below) or create additional Pages as needed to facilitate collaboration (see Add Page link near top-right.)
- - Child Pages for this session (Added Pages will automatically appear in this list)
