

Wednesday -- Building Your First OSP Template

Building Your First OSP Template

Presenters: Will Trillich, Serensoft

Track: E-Portfolios

Room: William Dawes

Time: 16:35-17:30, Wednesday, 8 July 2009

Description: Portfolio templates – where to begin? We'll talk about getting started via "passthrough.xml" and will develop a matrix-based template before your very eyes, without our fingers ever leaving our hands. Come join the fun as we conjure up "portfolio HTML" out of thin air!
