

Accessibility WG Teleconference Minutes 08-25-2011

Attendees

- Mary Stores
- Brian Richwine
- Joe Humbert
- Scott Williams

JIRAs

Drop-Down Menus

- [SAK-11199 - Drop-down menus don't work with Screen Readers \(Global\)](#)
- Brian sent an email requesting advice on how to proceed, and got no replies.
- [The e-mail request submission is here](#)
- Fix identified - needs implemented before 2.9 QA Servers get built
- Tied fix with fix for SAK-21031
- Updated Fix to reflect 2.9

Add and Action Menus

- [SAK-20631 - The "Add" and "Action" menus are difficult for screen-reader users to navigate/use in the Drop Box and Resources Tools](#)
- Brian will begin work where Gonzalo and Kiran left off .
- Brian received another (very frustrated) student JAWS user complaint on this.

CKEditor News

- The vote of whether to include CKEditor in Sakai 2.9 has not been determined yet, although there has been CKEditor discussion.
- Brian wrote a note about the implications of not including CKEditor.
- The most important statement in the note is the accessibility certification process would not be able to occur until 2013 if it was not included.
- The deadline for voting is August 25 at midnight.
- Peperdine University is running CKEditor in production and seeing benefits : For example, less tech support calls than FCKEditor.

Walkthrough Scripts Needed

- Portal (Does role matter?)
- Messages - Instructor and Student Personas
- CKEditor - Putting it through its paces
- Assignments (Instructor Persona) should be simple to write.
- Calendar (Instructor and Student Personas)
- Announcements (Instructor and Student Personas)
- Drop Box (Instructor and Student Personas)
- Podcasts (Instructor and Student Personas)
- Polls (Instructor and Student Personas)
- Site Info (Instructor and Student Personas)
- Samigo Test & Quizes (Instructor Persona) may be more complex to write
- Brian is willing to help over the phone for walkthrough script creation.

Sakai 2.9 Review

- The accessibility Testing Training / Call-out email asking for volunteers needs to be sent.
- Sakai 2.9 Accessibility Review Pages need to be posted
*These two things will be done by September 1.
