We are in the midst of our sponsor search for the conference. If your company or a company with which you have a contact mig

NOTE: This page is a working space for the award committee, not the actual application site. VISIT <http://openedpractices.org/twsia> to apply for the award beginning December 2010.

## The Goals

1. Recognize and promote best faculty practices and innovation in using Sakai for teaching and learning.
2. Establish a faculty presence in the Sakai community and in particular at the international Sakai conference.
3. Bring faculty in contact with Sakai developers and designers.

## 2010 Committee

**Subject: Call for award committee members**

The Sakai Teaching and Learning Group is forming the 2010 Award Committee to oversee this year's Teaching with Sakai Innovation Award. Each of the past two years we've had a strong applicant pool and selected two outstanding finalists. If you missed the winners' 2009 presentations in Boston, you can watch Andrea Crampton at <http://www.vimeo.com/5610058> and Edith Sheffer at <http://www.vimeo.com/5623121>.

If you would like to view last year's entries they are available on the OpenEdPractices.org web site <http://openedpractices.org/courses>. The evaluation rubric used for the award is located at [http://openedpractices.org/files/TWSIA\\_Rubric.pdf](http://openedpractices.org/files/TWSIA_Rubric.pdf).

We hope to continue the success of 2008 and 2009 and are looking for committee members that represent many different groups within our community, so please don't hesitate to sign up even if you don't have a teaching and learning background. Please contact Kate Ellis [kdellis@indiana.edu](mailto:kdellis@indiana.edu) or Susan Roig [susan.roig@cgu.edu](mailto:susan.roig@cgu.edu) if you are interested in working with us. Thank you for your support,
