Agenda Items

Paris Conference - TWSIA

- Press release to wires out yet? Josh will check
- The "Award Ceremony" will be short (15 minutes) before Keynote on Wednesday morning; will include John Norman (Sakai Board) + IBM representative + Someone from award committee, and of course the two award winners
- Josh will try to move "winner's presentation" to time slot immediately following keynote
- Update from Josh: His health is not good - he's having problems with his hip and may not be able to travel to Paris - will know more next week

Paris Conference - Pre-conference workshop

"Teaching with Sakai" with Chuck Severance and (hopefully) Josh Baron

- 3 hours long; no detailed plans yet
- rather than a working session for the T&L group, this will be a time for showing exemplars and networking
- we brainstormed a bit about possible topics / activities: * Innovation / best practices with Sakai tools
- How to show course sites without exposing student data, screen shots? recordings made by instructor with screen capture software or perhaps recording an Acrobat Connect session (or with similar software)
- Additional topics or perhaps breakout sessions:
 - Sharing training documents and video tutorials
 - Approaches to professional development for faculty
- Dinners? Sunday eve? Tuesday eve? Time to invite TWSIA winners and some foundation board members
