

TWSIA 2011 Brainstorming

Ideas for the 2011 award process

TO DO list:

Develop timeline for 2011 award process-first draft posted [here](#)

Devise a communication plan (Kim Thanos)

Sponsorship program (Sakai Foundation?)

Revisit the preliminary and final judging processes (and revise?)

Find judges for next year. *(Be mindful of number of judges, avoid the appearance of conflict of interest, make sure they're engaged in the process)*

Establish criteria for award entries - categories - who may enter, clearly define criteria and post with the entry form

Revise the Rubric (Maggie, Rob, Alfred)

Revise entry form to capture more information for "stories" or "case studies"
