Agenda

Items for Audit/Review of Sakai

- Where we are with prep for audit
- We've been given permission to publicly share the report from Longsight <https://confluence.sakaiproject.org/download/attachments/49119280/Longsight-Accessibility-JT-2013.doc?version=1&modificationDate=1421898888473&api=v2> and work is ongoing to verify issues and record them as JIRAs.

- - Keeping track here <https://docs.google.com/spreadsheets/d/1hFZSbkghNgs4z0PbFVb9zCW7QG3Wqx1uw29T6QPIGkU/edit?usp=sharing>
- - Matt has gameplan based on current plans
- - This could be titled rA11y? https://docs.google.com/document/d/1k3f5iFE5HjoCK9sf-0Ls0c0bDX5V5yki5KbzY03_bxc/edit?usp=sharing

We are planning to move all Sakai lists over to Apereo Google Groups, accessibility going into sakai-dev

Should we look at Sakai 11 site create / add tool?

- Tab order and focus could be better <http://www.screencast.com/t/GW3KahefNwH>
