4 Steps to a Successful Rollout

Presenters: Patty Wolfe, Unicon

Track: Sakai Implementation

Room: Aquarium

Time: 14:15 - 13:00, Wednesday, 8 July 2009

Description: Does implementing Sakai on campus sound like a daunting task? Unicon works with many clients from the planning stages through the development process to successfully launch Sakai. Unicon has developed an easy 3 step process to outline the key deliverables for each phase of the implementation process that will allow you to develop your high level project plan and quickly get started. This session isn't for the faint at heart. Get ready to roll-up your sleeves and participate in this interactive session and let Unicon show you how your organization holds the keys to success.
