

Friday - What Did iLearn Today? Sakai and the Net Generation

[Watch Screen-cast](#)

Track: Using Sakai

Room: Empress Room

Description: This presentation explains how an innovative network of Sakai course and project sites form a collaborative community of students and faculty from different courses, sections, and semesters. This also demonstrates how students can help promote Sakai deployments from a communication perspective. Marist students and instructor will present.

Presenters: Jaclyn Weiner, Marist College; Victoria Banks, Marist College; Jennifer Sussin, Marist College
