Collect & Preserve:

I want to collect, organize, retrieve and preserve examples of my work over time.

Select:

I want to select examples from my collected work for purposes such as self-presentation, self-analysis, or demonstrating achievement.

Reflect:

I want to reflect spontaneously and/or in response to formal prompts.

Repurpose:

I want to use existing or revised examples of my work in new contexts.

Present:

I want to present information and examples of my work to different audiences in different ways.
