

# Assignments - Group Assignments setup UI question

The group assignment allows any student in a group to submit an assignment on behalf of the group. The instructor can provide one grade that applies to the whole group, and can easily override the grade at the individual level. To turn on this feature one chooses, "Are submissions for a group?".

A. "Allow single submission for group?"

B. Create a new section and have two radio buttons:

**Individual or Group work**

(o) Individual submissions

( ) Group submissions

C.

Assessment Options

Peer Assessment

Group assignment submission

D. **Individual or Group work**

(o) Individual submissions
