

Portfolio Minispec Development Work Page

The volunteers below developed one or more portfolio minispecs. For questions, contact Debbie Runshe.

Minispec Title	Volunteer Lead	Volunteer Reviewer	Current Minispec	Revised Minispec	Final Minispec	Notes	Development Status  = complete  = In progress  = not yet started	Review Status  = complete  = In progress  = not yet started	Revision Status  = complete  = In progress  = not yet started	Final Revision Status  = complete  = In progress  = not yet started
Collect: I want to collect, organize, retrieve and preserve examples of my work over time.	Teggin Summers, Virginia Tech		Collect MiniSpec Draft							
Select: I want to select examples from my collected work for purposes such as self-presentation, self-analysis, or demonstrating achievement.	Lynn Ward, Indiana University		Select MiniSpec Draft							
Reflect: I want to reflect spontaneously and/or in response to formal prompts.	Teggin Summers, Virginia Tech		Reflect MiniSpec Draft							
Repurpose: I want to use existing or revised examples of my work in new contexts.	Bob Squillace, NYU		Repurpose MiniSpec Draft							
Present and Express: I want to present information and examples of my work to different audiences in different ways (as directed by others and of my choice).	Teggin Summers, Virginia Tech		Present and Express MiniSpec Draft							
Document: I want to provide evidence of and rationale for learning.			Document MiniSpec Draft							
Establish and Assess Outcomes: I want to publish and map learning outcomes to course and/or program objectives in order to assess them via rubrics.	Jacques Raynauld HEC/MATI		Establish and Assess Outcomes MiniSpec Draft							
Guide: I want to guide the creation of portfolios for different purposes by creating such things as: templates, assignments, files, rubrics, and prompts.	Jacques Raynauld HEC/MATI		Guide MiniSpec Draft							
Associate: I want to associate artifacts and data structures (sites and tools) to each other, to learning outcomes, and to external resources.			Associate MiniSpec Draft							
Tag: I want label and organize artifacts such as: files, reflections, assignments, in order to be searchable by myself and others.			Tag MiniSpec Draft							
Manage Process: I want to design and publish a portfolio framework and determine, direct, and monitor workflow, roles, and permissions within it.	Jacques Raynauld HEC/MATI		Manage Process MiniSpec Draft							
Give and Receive Feedback: I want to determine how feedback is organized and provide different types of feedback to different audiences at different levels within the portfolio process.	Debbie Runshe Indiana University - IUPUI		Give and Receive Feedback MiniSpec Draft							
Evaluate: I want to be able to examine, rate, and comment on entire portfolio or their components including my own.	Janice Smith, Three Canoes and LOI, The Netherlands (?)		Evaluate MiniSpec Draft							
Share: I want to allow others inside and outside of my institution to view some or all of a portfolio I have permission to share.	Debbie Runshe Indiana University - IUPUI		Share MiniSpec Draft							
Report: I want to gather, analyze, display, and preserve portfolio data to support institutional, programmatic, course, and individual assessment processes.	Janice Smith, Three Canoes, and all members of the Portfolio Reporting Group!		Reporting MiniSpec Draft
