Log Events Descriptions - Sakai 2.4.x

This page is designed to keep a record of all Sakai (ver. 2.4.x) log events and their descriptions.

[Click here for Sakai 2.5.x Event Descriptions](#)

This page is current for Sakai version 2.4.x

Anyone is invited to participate!

Tool	Event Code	Description	Included in SiteStats 1.0?
N/A	pres.begin	User begins site visit	*
N/A	pres.end	User ends site vist	
N/A	user.login	User logs into Sakai	
N/A	user.logout	User logs out of Sakai	
Announcements	annc.delete.any	Announcement deletion by user other than the creator	*
Announcements	annc.delete.own	Announcement deletion by creator	*
Announcements	annc.new	New announcement post	*
Announcements	annc.revise.any	Announcement revision by user other than the creator	*
Announcements	annc.revise.own	Announcement revision by creator	*
Assignments	asn.delete.assignment	Assignment deleted	*
Assignments	asn.grade.submission	Assignment submission graded/released/returned	*
Assignments	asn.new.assignment	New assignment created	*
Assignments	asn.read.assignment	Assignment accessed	*
Assignments	asn.revise.assignment	Assignment revised	*
Assignments	asn.save.submission	Assignment submission saved as draft	*
Assignments	asn.submit.submission	Assignment submission submitted	*
Chat	chat.delete.any	Chat message deleted by user other than the creator	*
Chat	chat.delete.own	Chat message deleted by creator	*
Chat	chat.new	New chat message	*
Digest Service (Preferences)	digest.add	Digest is created	
Digest Service (Preferences)	digest.del	Digest is deleted/removed	
Digest Service (Preferences)	digest.add	Digest is updated	
Discussion	disc.delete.any	Discussion topic/message deleted by user other than the creator	*
Discussion	disc.delete.category	Discussion category deleted	*
Discussion	disc.delete.own	Discussion topic/message deleted by creator	*
Discussion	disc.new	New discussion topic/message created	*
Discussion	disc.new.category	New discussion category created	*
Email Archive	mail.delete.any	Mail channel/message deleted by user other than the creator	*
Email Archive	mail.delete.own	Mail channel/message deleted by creator	*
Email Archive	mail.new	Email channel/message created	*
Email Archive	mail.revise.any	Mail channel revised by user other than the creator	
Email Archive	mail.revise.own	Mail channel revised by creator	
Gradebook	gradebook.comment	Gradebook comment added/modified	*
Gradebook	gradebook.deleteItem	Gradebook assignment deleted	*
Gradebook	gradebook.downloadCourseGrade	Gradebook course grades exported	*
Gradebook	gradebook.downloadRoster	Gradebook roster exported	*
Gradebook	gradebook.importItem	Gradebook spreadsheet imported	*
Gradebook	gradebook.newItem	New gradebook assignment created	*
Gradebook	gradebook.updateCourseGrades	Gradebook course grades overrided	*
Gradebook	gradebook.updateItemScores	Gradebook assignment scores entered/modified	*
Grad Tools	dis.info.add	Student record created/saved	
Grad Tools	dis.path.add	Student checklist created/saved	

Grad Tools	dis.path.del	Student checklist deleted	
Grad Tools	dis.status.add	Student checklist item/step added	
Grad Tools	dis.status.del	Student checklist item/step deleted	
Grad Tools	dis.status.upd	Student checklist item/step revised	
Help	help.access	Help tool accessed (REF includes page accessed from)	
Help	help.search	Help tool searched (REF includes search term)	
Message Center/Forums /Messages	msgcntr.delete	Forums/Messages item deleted	*
Message Center/Forums /Messages	msgcntr.new	Forums/Messages item created	*
Message Center/Forums /Messages	msgcntr.read	Forums/Messages item accessed	*
Message Center/Forums /Messages	msgcntr.response	Forums/Messages item reply created	*
Message Center/Forums /Messages	msgcntr.revise	Forums/Messages item revised	*
Mneme (Test Center)	mneme.answer	Learner submits answer to a question	
Mneme (Test Center)	mneme.auto_complete	System completes a test for the learner	
Mneme (Test Center)	mneme.complete	Learner completes a test	
Mneme (Test Center)	mneme.continue	Learner continues an already started submission	
Mneme (Test Center)	mneme.enter	Learner starts a submission	
Mneme (Test Center)	mneme.grade	Submission is graded	
Mneme (Test Center)	mneme.review	Submission is read/accessed	
News	news.read	News feed accessed	*
News	news.revise	News feed revised	*
Podcasts	podcast.add	Podcast feed/item created	*
Podcasts	podcast.delete	Podcast feed/item deleted	*
Podcasts	podcast.generate.private	Site-only podcast feed accessed	*
Podcasts	podcast.generate.public	Public podcast feed accessed	*
Podcasts	podcast.revise	Podcast feed/item revised	*
Polls	poll.add	Poll created	*
Polls	poll.delete	Poll deleted	*
Polls	poll.update	Poll revised	*
Polls	poll.vote	Poll vote entered	*
Polls	poll.viewResult	View a polls results	*
Preferences	prefs.add	Preferences entry created	
Preferences	prefs.del	Preferences entry deleted	
Preferences	prefs.upd	Preferences updated (e.g. tabs reordered)	
Realms (Site Info)	realm.add	New realm created	
Realms (Site Info)	realm.del	Realm deleted	
Realms (Site Info)	realm.upd	Realm updated/changed	
Realms (Site Info)	realm.upd.own	Realm updated/changed by creator	
Reset Password	user.resetpass	Password for user reset through Reset Password tool	
Resources/Drop Box	content.delete	Resource item deleted	*
Resources/Drop Box	content.new	Resource item created	*
Resources/Drop Box	content.read	Resource item accessed/downloaded	*
Resources/Drop Box	content.revise	Resource item revised	*
Roster	roster.view	View roster	*
Roster	roster.view.photos	View roster photos	*
Roster	roster.view.status	View user enrollment status	*
Roster	roster.view.profile	View user profile	
Search	search.query	New search query	
Schedule	calendar.new	Schedule/Calendar item created	*
Schedule	calendar.revise	Schedule/Calendar item revised	*
Section Info	section.add	New section created	*
Section Info	section.add.student	Students assigned to a section	*

Section Info	section.add.ta	Teaching Assistants assigned to a section	*
Section Info	section.disband	Section disbanded	*
Section Info	section.members.reset	Section members reset	*
Section Info	section.student.drop	Student dropped from section	*
Section Info	section.student.drop.category	Student dropped from section category	*
Section Info	section.student.join	Student joined section	*
Section Info	section.student.reg	Student registration (??)	*
Section Info	section.student.switch	Student switched sections	*
Section Info	section.student.unjoin	Student unjoined section	*
Section Info	section.update	Section information updated/revised	*
Syllabus	syllabus.delete	Syllabus item deleted	*
Syllabus	syllabus.draft.change	Syllabus draft item changed	*
Syllabus	syllabus.draft.new	Syllabus draft item created	*
Syllabus	syllabus.post.change	Syllabus posted item changed	*
Syllabus	syllabus.post.new	Syllabus item posted	*
Syllabus	syllabus.read	Syllabus item accessed	*
Task List	tasklist.create	Task List item created	*
Task List	tasklist.delete.all	Task List item deleted by user other than the creator	*
Task List	tasklist.delete.own	Task List item deleted by creator	*
Task List	tasklist.mark.complete	Task List item marked as complete	*
Task List	tasklist.mark.incomplete	Task List item marked as incomplete	*
Task List	tasklist.view	Task List item accessed	*
To-Do List	todolist.create	To-Do List item created	*
To-Do List	todolist.delete.all	To-Do List item deleted by user other than the creator	*
To-Do List	todolist.delete.own	To-Do List item deleted by creator	*
To-Do List	todolist.mark.complete	To-Do List item marked as complete	*
To-Do List	todolist.mark.incomplete	To-Do List item marked as incomplete	*
To-Do List	todolist.view	To-Do List item accessed	*
Users (My Profile)	user.add	New user added	
Users (My Profile)	user.upd.any	User profile updated by Admin	
Users (My Profile)	user.upd.own	User profile updated by user	
Wiki	wiki.delete	Wiki page deleted	*
Wiki	wiki.new	New wiki page created	*
Wiki	wiki.read	Wiki page accessed	*
Wiki	wiki.revise	Wiki page revised	*
Worksite Setup/Site Info (Sites)	site.add	Site created	
Worksite Setup/Site Info (Sites)	site.del	Site deleted	
Worksite Setup/Site Info (Sites)	site.upd	Site updated (e.g. tool added/removed)	
Worksite Setup/Site Info (Sites)	site.upd.site.mbrshp	Site member(s) added/removed/role changed
