

# Resources

The Google GWT WG site contains a comprehensive list of resources. See <http://confluence.sakaiproject.org/confluence/display/GWT/Home>

Here is a list of the tools / technologies used.

- <http://gears.google.com/>
- <http://code.google.com/webtoolkit/>
- <http://www.gwt-ext.com/demo/> (good example)
- <http://groups.google.com/group/gwt-ext>
- <http://www.sqlite.org/>
