**Twitter and Social Networking Hash Tags**

There are two #hashtags that are used frequently in our group:

- #Sakai - any information or reference to the Sakai CLE, Sakai Community, or something for the good of the community.
- #SakaiTL - a special tag to distinguish posts that are meant specifically for this group.

Twitter and many Twitter or other social networking clients allow for searches to be done on tags. Many community members keep active searches running to keep connected with the community.
