Evaluations

The conference committee would like to invite all conference attendees to fill out evaluations/feedback of their sessions throughout the conference (This is now closed. Stay tuned for the Overall Conference Evaluations email). The link below displays a list of sessions at the Sakai Amsterdam conference and allows users to evaluate as many as they would like.

Your responses will be kept confidential regardless of whether you have logged in or not.

You will not be able to submit evaluations/feedback for sessions until the date that session occurs.

Thanks for your feedback!
