

2008-10-06 Conference Call

Meeting minutes for October 06, 2008

Sakai/OSP 2.4/2.5

No new issues

Sakai/OSP 2.6 and beyond Development Status

- [SAK-13719](#) Matrix tool / tracking permission changes (IU). Lynn will demo next week.
- [SAK-14417](#) Redesign Portfolio User Experience. Changes are feature complete and have been merged to trunk. We need a QA document, then Marist can start testing. People are requested to try it out and submit jiras.
