

Executive Brief Webinar - Jan 2010

I would like to invite Sakai Foundation members to attend a live on-line presentation by Michael Korcuska, Sakai Foundation Executive Director. This webinar will review Sakai activities and accomplishments from 2009, present the major projects and activities planned for 2010 and provide an overview of Foundation's finances. Following the presentation there will be a Q and A period.

To accommodate everyone's schedules there will be two webinar sessions:

- * Thursday Jan. 21, 2010 - 1-2pm Eastern Time (US)
- * Friday Jan 22, 2010 - 10-11am Eastern Time (US)

We will be using Adobe Connect for the webinar. Presentation materials will be posted on-line in case you are not able to attend or your organization is not a member of the Sakai Foundation. We can also schedule additional times if interest is sufficient.

Please register for the webinar by adding your name, institution, and email address & selecting one of the sessions below. If you do plan to attend it will be helpful if you have read the latest Sakai Executive Brief which you can find at: http://sakaiproject.org/sites/default/files/Sakai_Executive_Brief_December_2009.pdf.

Sincerely,

Pieter Hartsook
Sakai Foundation Communications Manager
