

Welcome to Sakai Wiki Docs

Sakai is an open source digital learning environment. For general information about Sakai visit our website at <https://www.sakailms.org/>

Using

Sakai

Deploying

Sakai

Building

Sakai

Communications

- **Mailing Lists**
Discussions take place in several mailing lists. See our Mailing Lists page for a description of each group and subscription information.
- **Slack Chat**
We currently have Slack channels for Sakai Developers, QA, UX, Documentation, and more. Visit our Slack Chat information page to sign up.

Community Meetings

- **Sakai Project Calendar**
Sakai has a number of active community groups which host regular open meetings online. See our Sakai Project Calendar to view upcoming meetings.
- **Apereo Project Calendar**
Sakai community members may also be interested in upcoming Apereo community meetings.
- **Conferences and Events**
Connect with your colleagues at one of our annual events.

End User Documentation

- **Sakai Community Help**
Online help documentation for Sakai can be viewed on our community documentation site in Screensteps.
- **Video Help Repository**

Demo

- **Try Sakai**
Test drive Sakai in a hosted "sandbox" environment.
- **Demo on Nightly**
Check out the latest version on our testing and development servers.

Release Management

- **Release Notes**
View the functional and technical release notes for current and prior Sakai releases.
- **Downloads**
Download the current and prior releases of Sakai.

Installation and Configuration

- **Installation Guide**
- **Sakai 20 Upgrade Information**
- **Technical Documentation on Github**

Troubleshooting

- **JIRA**
- **Questions**

Development

- **Developer Guidelines**
- **GitHub**
- **JIRA**
- **Testing and Quality Assurance (QA)**
- **Security Policy**

Working Groups

- **Apereo ATLAS Awards**
- **Apereo FARM**
- **Apereo Teaching and Learning**
- **Sakai Accessibility**
- **Sakai Documentation**
- **Sakai Internationalization (i18n)**
- **Sakai JIRA Triage**
- **Sakai Project Management Committee (PMC)**
- **Sakai Spanish Users (S2U)**
- **Sakai Quality Assurance (QA)**
- **Sakai User Experience (UX)**

Roadmap

Browse our collection of contributed video tutorials created by Sakai adopters, or share some of your own.
