

ST.Script.01.Site Participants Add Files to Wizards in Project

Site Participants Add Files to Wizards in a Project Site

 As of September 19, 2011

Please do not use the scripts below. The OSP test scripts have been moved to a public Google Docs spreadsheet, which is available at: https://docs.google.com/spreadsheet/ccc?key=0AldPCURzarLgdDY0TmJxcFV1R3hQaHZyWXRUBUpTRIE&hl=en_US#gid=0. This will allow concurrent editing of each script and easier documentation and tracking of results.
