**Note:** No minutes were taken during the Nov. 26 2008 call...

**Participants:** Mathieu, Maggie, Josh, Sue, Steve, Charlie, Emily, Janet

## Agenda Items

### 1. Teaching with Sakai Innovation Award

#### [TWSIA09 Planning](#)

- We need to get the application form up and running.
- <http://openedpractices.org/twsia>
- Suggested word count? We need guidelines, for sure.
- We need to respect the word count we expect from people.
- <http://openedpractices.org/teaching-sakai-innovation-award-process>: Sue will send Matt the new deadlines.
- Open up the submissions right away? Last year's applications are available...
- Enable/Disable rich text... All enabled by default, give more space, make consistent.
- Definition of Hybrid... Could be hybrid/other, than describe.
- Add a 60-100 section, and More than a 100.
- Course Level: Add "Check all that apply".
- Change to College/University.
- Add a Vocational/Professional instead of Adult Learner.
- Instruction over the box instead of below... Ask Nate again.
- Remove the character limit everywhere.
- Add a box to describe the screenshots, URLs, attachments.

### 2. VA Tech Regional Conference Debriefing

### 3. Showing Demo Courses

New references on that page: [Showing Demo Courses](#)

### 4. Next calls...

- There will be a special call with Nate to address technical issues, date and time TBD.
- Next Wednesday is the day before Thanksgiving. Josh and Mathieu will not be available. Not sure if there will be one, follow-up on the mailing list will be coming up in the next week.
