

Accessibility WG Teleconference Minutes November 11, 2015

Attending:

1. Neal Caidin, Apereo Foundation/ Sakai
2. Matt Clare, Brock University
3. Matt Jones?
4. Karen McPhaul, Durham Tech

Agenda:

Sakai Skin contest

- Here's UNC's skin quick analysis <http://www.screencast.com/t/hUO93ygrXQ5>
- One of the 3Ms here at Brock University will run UNC's actual colours by Friday

rA11y Plan Update.

- We have two serious Scopes of Work, E-Mail me if you'd like access.

Update on CK Editor accessibility checker

- 5 minute Demo of accessibility checker at <https://youtube.com/watch?v=i-pZ2eOjCUo>
- Individual sysadmins/institutions can obtain a copy of the CKSource Accessibility Checker and install it locally based on these steps: <https://confluence.sakaiproject.org/display/2ACC/CKEditor+Accessibility+Checker>
- Matt posted the GPL version on Brock University's web site <https://www.brocku.ca/node/30138>

A Plug for Sakai QA

Worth taking a look at datepickers in Sakai (things are getting better tool by tool)
<https://jira.sakaiproject.org/browse/SAK-29797>
