

1 Simple Course Pattern

1 Simple Course Pattern

- **Red text** indicates data expected to be shown in the user interface.
- **<Green text>** indicate available data from a Student Information System (SIS) expressed in terms from the [data dictionary](#).
- Those institutions having a similar pattern are listed in the **"Examples:"**.

A single course is associated with a single site. Student enrollment is in the course, the only course offering.

Examples: [Stanford # 1](#), U-Arizona, UC-Davis, UC-Berkeley
