

# Accessibility WG Teleconference Minutes for Wednesday March 30, 2016

## Attending:

Matt Clare, Brock University  
Candace, Tufts  
Rob Egan, NYU  
Karen McPhaul, Durham Tech  
Tiffany Stull, University of Virginia

## Regrets:

Neal Caidin, Apereo

## Agenda:

### Sakai 11:

#### Finish going over the accessibility review from Rutgers (thanks again!):

- New Sakai Issues - Broken - UnAccessible - Google Doc Version: [https://docs.google.com/document/d/1BAhBc3\\_5yj35Q2tEnnCLj1Dn8aJZvWi-uZakOixhJk/edit?usp=sharing](https://docs.google.com/document/d/1BAhBc3_5yj35Q2tEnnCLj1Dn8aJZvWi-uZakOixhJk/edit?usp=sharing)
- New Sakai Issues - Minor Google - Doc Version: [https://docs.google.com/document/d/18Lk8oha9B92\\_LQRiXtcQ8uG3Lr8HMPqg3l\\_vdjKRCrY/edit?usp=sharing](https://docs.google.com/document/d/18Lk8oha9B92_LQRiXtcQ8uG3Lr8HMPqg3l_vdjKRCrY/edit?usp=sharing)

Identified so far:

<https://jira.sakaiproject.org/browse/SAK-30562> Portal chat header colour contrast too low  
<https://jira.sakaiproject.org/browse/SAK-30561> Colour contrast too low on action buttons, needs ARIA

Comparing the two structures <http://www.screencast.com/t/9ZaPvdFRN9D>

Sakai 11 currently has a lot of poorly hidden items in the "Sites" drawer <https://jira.sakaiproject.org/browse/SAK-30469>  
We've lost the main access key reminders.

Group attending decided there was merit in switching to Big Blue Button and did so for the last 15 minutes. We intend to use this for all future calls.
