Jira

 **2.2.x Fix Version in Jira**

Developers **should not** set 2.2.x as a fix version for an issue, rather, they need to contact the Branch Manager and let them know they have a fix they would like included in the branch. ([Lance Speelmon](#) is the Branch Manager for 2.2.x.)

The following Jira issues have been resolved in 2.2.x.

type	key	summary	priority	status	resolution	created	updated
------	-----	---------	----------	--------	------------	---------	---------
