rSmart: Jan, John
IU: Chris
Saginaw: Noah
Syracuse: Sean

Functional Leadership

1. Aggregated Views - Michigan
2. Goal Management Framework - Saginaw/Noah
3. User Interface - ??
4. Reports - rSmart
5. Portfolios - LaGuardia

Issues for Sakai Project Management Meeting in Amsterdam (6/9/2007))

1. Promoting OSP to a core tool
2. Guidance for integrating goal-management into assignments and other core tools

Other issues

- (New) OSP Community Library needs to be created within OSP website before Sakai conference
- Creating Portfolio templates is difficult
 - Noah working on documentation
 - UCF may be working on a XSL builder tool
 - rSmart has examples ready for OSP Community Library (as soon as library is ready)
